

Cubby and the Little Green Potty

CooCubby · English

A new little green potty!

One morning there was something new in the bathroom. A little green potty, just Cubby's size.

Cubby sits. Nothing happens.

Cubby sat on the potty with his clothes on. "Nothing is happening," he said. Mama Bear laughed softly. "That's okay. We are just saying hello."

Dilly comes to play.

Dilly the duckling splashed in through the door in her tiny red boots. "Potty? I know all about potties!"

Wiggle, wiggle means potty time.

"When your tummy goes wiggle, wiggle," said Dilly, "that means potty time!" Cubby wiggled to practise.

Breakfast and a big drink.

At breakfast Cubby ate warm porridge and drank a whole cup of water. Glug, glug, glug.

Oh! Wiggle, wiggle!

Then it happened. Wiggle, wiggle! "Oh!" said Cubby. "Mama, I think it's potty time!"

Quick, quick to the potty.

Cubby ran to the bathroom. Mama Bear helped with his pants. He sat down on the little green potty.

Tinkle!

Cubby waited. He hummed a little song. And then... tinkle! "I did it!" said Cubby.

Wash, wash, wash.

Mama Bear helped Cubby flush and wash his paws. Bubbles went everywhere. Dilly quacked a cheer.

Cubby's potty. Cubby's day.

That night Cubby patted the little green potty. "See you tomorrow, potty," he whispered. And he did.
