

# The Tablet Goes to Sleep

CooCubby · English

## Cubby watches a show.

Cubby sat on the rug watching a show about a dancing cloud. His eyes were very big.

## "One more song, then sleep."

"One more song," said Mama Bear. "Then the tablet goes to sleep." Cubby nodded. One more song.

## The song ends.

The song ended. Cubby's paws held the tablet tight. "Mmm," he said. It was hard to stop.

## Night-night, tablet.

"Night-night, tablet," said Mama Bear. She pressed the button. The screen went dark. "It's sleeping now."

## Cubby feels wobbly.

Cubby felt wobbly inside. Mama Bear gave him a hug. "Wobbly is okay. Let's find something to do."

## Pip has a box!

Pip the rabbit hopped in with a big box. "Look what I found! A box can be anything!"

## A box is a boat.

Cubby climbed in. "It's a boat!" He rowed across the rug with a spoon. Pip was the captain.

## A box is a house.

Then the box was a house. Then a train. Then a cave with a very loud bear inside. "Roar!"

## Oh! Dinner already?

"Dinner!" called Mama Bear. Cubby looked up. "Already?" Playing had made the time run fast.

## Tablet sleeps. Cubby plays.

That night Cubby patted the shelf. "Night-night, tablet." Then he yawned. Boats and caves are tiring work.
