

Cubby Visits the Tooth Doctor

CooCubby · English

Today we see the tooth doctor.

"Today we visit the tooth doctor," said Papa Bear. "She counts teeth and makes sure they're happy."

Dilly comes too.

Dilly the duckling came too, in her red boots. "I'll count your teeth first, so you know!"

A big soft chair.

The tooth doctor's room had a big soft chair that went up and down. "Whee," said Cubby, just a little.

Open wide like a lion.

"Open wide like a lion," said the tooth doctor, a kind owl in a white coat.
"Raaar," said Cubby softly.

One, two, three...

"One, two, three," she counted. Dilly counted too on her feathers. "Four, five, six!"

A tickly brush.

The tooth doctor used a tickly little brush. It tickled! Cubby wiggled his toes.

All teeth happy.

"All your teeth are happy," said the tooth doctor. "Because you brush morning and night." Cubby sat up tall.

A sticker!

She gave Cubby a shiny sticker with a star. He put it right on his shirt, next to the kiwi.

Bye, tooth doctor.

"Bye, tooth doctor!" said Cubby. "See you when I'm bigger." "See you," she hooted.

Brave teeth. Brave Cubby.

On the way home Cubby said, "That was not scary." "No," said Papa Bear. "Brave teeth, brave Cubby."
